Market Whispers

Bajaj Holding : Share has seen a good uptrend. Currently available at Rs. 2515. Buying interest in Mumbai and Jaipur at a frenzy. Only buyers right now. Share is in an upswing since May end. Buy with short term target of Rs.2597.

Vindhya Tele : Share has shown a flat to downward movement in the last week. However, you can buy a few shares at this level. Share may begin uptrend again after this flat movement. Currently at Rs. 1022 and buy with target of Rs. 1068.

Shankara Buildcon : This company only recently came out with an IPO. The first set of earnings post its listing in April has been good. Retail has been a key driver for the company and has posted a fairly decent uptick around 28 percent and the margins have also gone up. Company is consciously degrowing its channel business. Share at Rs. 997. Buy with a somewhat longer holding period of 6 months preferably. Target Rs. 1045.

Reliance Capital : We had recommended at Rs. 651 in 26th June issue. Share price is now Rs. 748 after a brief correction. Now once again good times will roll. This time is expected that the Rs. 800 mark will be crossed. Highest till now is Rs. 799.50 If you hold for a slightly longer time, then Rs. 871 is the target. Short term target Rs. 789.90.

IGL : Company has approved subdivision of shares from Rs. 10 to Rs. 2 on 11th August subject to approval at the AGM. In July end, RBI had lifted restrictions on foreign investment in Indraprastha Gas as the earlier limit has been enhanced by the company. Now the limit is 30% instead of the 24% earlier. Currently at Rs. 1215. Buy with target of Rs. 1272 and then Rs. 1342. This share can be held for long term also.

Endurance : Another company which got listed on the bourses recently. Share has made a new high of Rs. 1004 on Friday. The company is currently trading at Rs. 950. Buy with target of Rs. 1000.

Ranchhodbhai's Profitable thoughts

Kishoré Biyani's *Future Retail* was recommended in 10th July issue at Rs. 395. Share price has now touched Rs.445. Company has reported a two fold jump in its standalone net profit to Rs. 147.90 cr for the June quarter on account of higher income. The company had posted a net profit of Rs. 70.55 cr during the corresponding period in the previous year. Buy a few shares at current price. You will still get a chance to earn a quick buck.

State owned *IOC* is having starting trouble like Bajaj iconic Scooter of the yesteryears. Share starts building up speed then fizzles out just as quickly. But since the fundamentals remain good, I will suggest you to buy on dips. Will give good returns in 3-4 months. Company plans to nearly double its oil refining capacity to 150 mt by 2030 and source 10% of the need from its own assets. Company's current capacity is 80.7 million tonnes per annum.

Are you a pizza fan?? Then rather than eating pizza, buy *Jubilant Foodworks*. The company is currently trading at Rs. 1000. Buy with target of Rs. 1100.
